

# Magic Oxi

## 70E2

Spot remover - bleachable stains: coffee, fruits and red wine

### Description

Clax Magic Oxi is a stain remover with excellent properties to remove bleachable stains such as coffee, tea, wine, cola and fruit juices. The product is specially formulated for use in commercial and on premise laundries, and is ready to use on most types of fabric.

### Key properties

Clax Magic Oxi is a color safe bleach for the effective removal of stains from coffee, tea, wine, cola and fruit juices. The product is part of the Clax Magic stain remover range which consists of 4 innovative stain-fighting solutions.

### Benefits

- Effectively removes bleachable stains such as coffee, tea, wine, cola and fruit juices
- Extends linen lifetime by eliminating the need for rewash
- Highly concentrated to limit the impact on the environment
- Ready, easy and safe to use

### Use instructions

The best effect can be reached if the stain remover is directly applied to the stain prior to washing. Allow the chemical to work for 5 – 10 minutes, but never for longer than 15 minutes. If necessary use a brush to help remove the stain. Wash the textile in the normal washing process.

### Technical data

Appearance:	White liquid
pH neat:	3.5
Relative density:	1.01

### Safe handling and storage information

This product is formulated for professional use only. Store in original closed container, away from extremes of temperature. Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.
