

Clax[®] Magic Rust

Spot remover - Iron and rust

70D2

Description

Clax Magic Rust is a stain remover with excellent properties to remove rust and iron stains. The product is specially formulated for use in commercial and on premise laundries, and is ready to use on most types of fabric.

Key properties

Clax Magic Rust is a blend of solvents and other cleaning components designed for the effective removal of discolorations caused by rust or tannin stains. The product is part of the Clax Magic stain remover range which consists of 4 innovative stain-fighting solutions.

Benefits

- Effectively removes rust and iron stains
- Extends linen lifetime by eliminating the need for rewash
- Highly concentrated to limit the impact on the environment
- Ready, easy and safe to use

Use instructions

The best effect can be reached if the stain remover is directly applied to the stain prior to washing. Allow the chemical to work for 5 – 10 minutes, but never for longer than 15 minutes. If necessary use a brush to help remove the stain. Clax Magic Rust is a strong sour (acid). After treatment the textile should be rinsed immediately and thoroughly. Then neutralize with a weak alkaline product like Clax Magic Protein and rinse afterwards. If you see a sudden color change when using Clax Magic Rust, rinse immediately and neutralize the stain with a weak alkaline product like Clax Magic Protein, then rinse again. Wash the textile in the normal washing process.

Technical data

Appearance:	Clear liquid, pale yellow
pH neat:	1.3
Relative density:	1.04

Safe handling and storage information

This product is formulated for professional use only. Store in original closed container, away from extremes of temperature. Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.
